Professional Experience:

- I started my career journey at **Emproto Technologies Pvt Ltd** in Bangalore from January 2022 to the current date.

Professional Projects:

Project #1	HoAbl
Environment	HTML, CSS, JavaScript, React.js, Redux, Formik

Role	Front End Developer
Duration	6 Months

- **Description:**
- This Project is based on real estate.
- Basically, I worked on Admin Module in this project.
- Here Admin can manage or control all the feature and functionality of contents changes like footer tab icon, marketing based and land investment part.
- So hoabl is kind of project where user can buy or invest or sale their land to across all India.

Contributions:

- There are 5-6 Module in Admin Portal.
- We are total 5 Member in the team and my role is frontend like developing UI according to design and after in that page API integration.
- We also did Unit Testing of each module for all screen/page.
- And for better UI we used Material UI framework.

Project #2	IndusInd Bank
Environment	HTML, CSS, JavaScript, PWA React.js, Redux Tool Kit, MUI
Role	Front End Developer
Duration	9 Months

- **Description:**
- This project is a kind of banking sector.
- It is a PWA Application that Means without play store we can easily use like native apps and some of feature we can use offline.
- So, in this application we developed vehicle loans for existing bank or new to bank and also aggregator journey and pre-approved.
- There are also mobile and desktop view features and, in this project, mostly used forms for Aadhar, Pan, Mobile and OTP, Encryption, Decryption, stepper and progress bar,

Contributions:

- There are also 2 Module like Customer Application and Admin Module.
- We are total 5 Member in the team and my role is frontend like developing UI according to design and after in that page API integration.
- We also did Unit Testing of each module for all screen/page.
- And for better UI we used Material UI framework.

Co- Curricular Activities

- Attended 2 Months Internship in Cyber Security Ethical Hacking by Indian Servers-Hyderabad.
- Participation in cloud Computing workshop conducted in AIMT, Lucknow.
